EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with applicants' representative, Leonard Mitchard on February 21, 2007.

The application has been amended as follows: in claim 30, line 2, "anti-inflammatory" has been changed to, *inflammatory*.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the examiner has considered applicants' amendment filed January 24, 2007 and the declaration filed therewith. The claims were amended such that they no longer read on Bertolini et al, U.S. 6,034,096, thereby overcoming the rejections of record. Accordingly, the instant claims are now allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
